

WHO WE ARE

Volunteers of America is a national, nonprofit, faith-based organization dedicated to helping those in need rebuild their lives and reach their full potential. Founded in 1896 by social reformers Ballington and Maud Booth, Volunteers of America was envisioned as a movement whose mission would be to “reach and uplift all people” to “go wherever we are needed and do whatever comes to hand.”

Steven, shown here with his family, is a Veterans Family Services success story. In the last 18 months, VFS has served 2,324 homeless and low-income veterans; of those, 1,097 obtained or retained permanent housing. And some 332 participants received employment and job services, which include workshops on resume writing, interview preparation and job referrals, and training in maintenance, landscaping, janitorial, truck driving and other vocations.
