WINTER TRIAGE SHELTER

In partnership with Volunteers of America (VOA), the City of Sacramento is opening a 2017 Winter Triage Shelter to bring services and housing to those most in need.

The shelter will be open December 2017 – March 2018.

Access to the Winter Triage Shelter is by referral only. The City of Sacramento's Police Impact Team and outreach partners through the City's Pathways to Health + Home Program will identify people in need of shelter and arrange for intake and transportation.

There are no walk-up referrals to the site. If you believe that you know of someone who could benefit from the services at the Winter Triage Shelter, please report their encampment location via the City's 311 system to bring it to the attention of the Impact and outreach teams.

To respect the privacy and dignity of those we serve, this shelter is not open to the public.

If you have questions or are interested in volunteering please email info@voa-ncnn.org
