VETERAN SERVICES

ABOUT US

Recognizing the specific needs of those who served our country, Volunteers of America (VOA) provides specialized programs for homeless and at-risk veterans and their families in Yolo, Placer, El Dorado, Sacramento, Nevada, and Yuba/Sutter counties.

Services for veterans include rapid re-housing, case management and homeless prevention. A large focus is heavily placed on increasing veteran's employment potential through job readiness and retention training.

VOA's Veteran Service programs give homeless or at-risk veterans and their families the tools to overcome their barriers to housing and employment, attain and maintain stable housing, find and keep sufficiency-level employment, and gain access to resources that will help them live positive, independent lives. Annually, VOA Veteran Services has helped more than 6,000 veterans build brighter futures.

WHAT IS A VETERAN?

A 'veteran' is defined as: *a person who served in the active military, naval, or air service and who was discharged or released from under conditions other than dishonorable.*
