A LETTER TO OUR COMMUNITY

You help us build a healthier community for all

As you reflect on these pages, I want to express my heartfelt gratitude for your steadfast commitment to our mission. Because of you, individuals, veterans, seniors, and families experiencing homelessness found not only a safe place to call home, but vital resources and a sense of community.

This year that support reached further than ever. More seniors and more veterans came to us than the year before, and because of you, there was room for them.

Looking ahead to 2026, we do not take this responsibility lightly. With your continued partnership, we will create a future where everyone, regardless of circumstance, can experience the dignity of stable housing and the support to truly thrive.

Thank you for standing with us. Together, we are building a strong foundation of hope and a healthier community for all.

Christie
